

The background of the entire page is a dense, repeating pattern of white roses. The roses are rendered in a soft, slightly faded style, creating a romantic and elegant atmosphere. They are scattered across the page, filling the space from edge to edge.

## HAIR FILLER

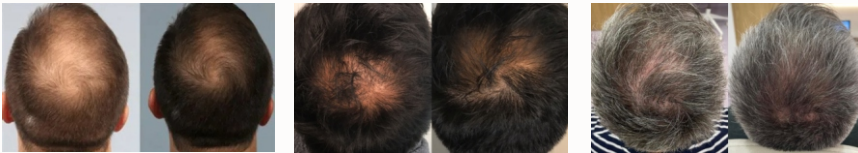

Hair filler is a special formula containing several active peptide ingredients which are injected in the scalp penetrating the hair roots, enhancing hair growth, and preserving the activity of hair follicles.

### How does it work

- Promote increase blood circulation to the scalp and hair follicles
- Revitalises hair follicles and helps with hair cell proliferation
- Induces hair growth by increasing the size of the hair follicle
- Prevents further hair loss
- Maintains hair growth

### Price List

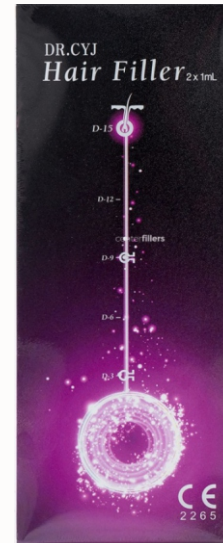

Each Session	£200
Course of 4	£600
Course of 6	£1000

- Standard Treatment: 1 session every month for 4 months (total 4 sessions)
- Intensive Treatment: 1 session every month for 6 months (total 6 sessions)
- Maintenance treatments: 1 session every 3 months (not always necessary)

### Suitable For

- Men and women suffering from alopecia (Hair loss) from multiple causes
- Men and woman who have general thinning hair and want to prevent further loss
- Patients with damaged hair from braiding, hair treatments, hair dyes etc.
- Hair transplant recipients who want to increase success rate and maintain results
- For those wanting to encourage stronger healthier hair- to prevent hair thinning with age
